

Welcome

We are glad that you have chosen Driving school Green.

To make sure your lessons proceed as smoothly as possible, we have written down a few tips:

- Make sure you're always punctual at the place where you and your driving instructor have agreed to meet
- If you start your lesson well rested, you have the best chance of succeeding
- Always bring your identification and instruction card
- Put the telephone number of your driving instructor and the driving school in your telephone
- Before you start your lesson, make sure you go through your theory book and look back on previous lessons
- If you have questions regarding the theory exam or the driving lessons, write them down and bring them to your lesson
- Always make sure you wear the right clothing for your motor / scooter lessons, in order to be able to start on time. Remember to bring firm (strong/sturdy) shoes
- **Attention:** you are able to cancel planned lessons two days in advance, without incurring any costs. However, if you fail to cancel on time, a charge will be made, or deducted from your lesson package.
- Before you start your driving lessons, the instructor will check if the payment has succeeded. So, please be sure that any payments are in order before the lessons commence.
- **Attention:** All packages are valid for one year.
- **Attention:** before taking the exam, all the lessons have to be paid for. You are not allowed to take an exam if there are still unpaid lessons outstanding.

We wish you a lot of fun and good luck with your driving lessons. If you have any questions, please do not hesitate to stop by. You can always give your driving instructor or the school a call.
